Our **Fast Track** programme contains three colour palettes: **VIVAT, PRIME, EARTH**. This designing brochure presents design inspirations for the Fast Track programme based on the colour palette **VIVAT**.

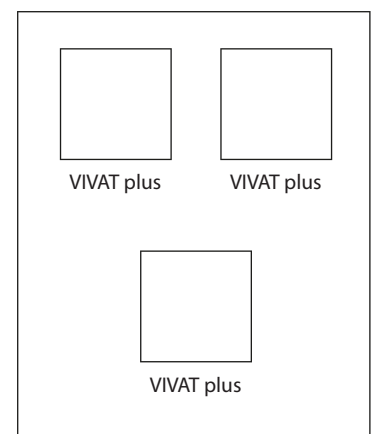

The **VIVAT** palette contains 10 colours shown below. The palette was composed of most trendy shades of grey to be well coordinated with nicely gradated browns. This allows free creation of beautiful and various designs. You can choose any design from the catalogue or modify any of them in almost unlimited way. You can also treat the designs as a source of inspiration in order to elaborate individual designs suited to the client's expectations.

Selecting a Fast Track programme means choosing one of three colour palettes: **VIVAT, PRIME, EARTH**.
